

“ TODOS OS DIAS,
OS DADORES
DE PLASMA
PERMITEM-ME
VIVER NOVAS
AVENTURAS. ”

Catherine, 52 anos, vive com IDCV

A person wearing a purple t-shirt, a dark helmet, and climbing gear is seen from behind, climbing a dark, textured rock face. A vertical rope is visible on the left side of the person. The background is a vast, dark rock wall with some lighter patches.

HOW IS YOUR DAY?

Making the difference with plasma proteins.
